

|  | Name  | Part No.        | Description   | Features and Benefits  |
|--|---|-----------------|---|--|
| <b>Cable and Patch Cords</b>   |   |                 |   |  |
|    | PowerCat 10G U/UTP Cable                    | CAA-0198L-VL    | 4 Pair Cable LSZH U/UTP - Violet                                      | <ul style="list-style-type: none"> <li>Minimises Alien crosstalk</li> <li>Complied to Augmented Category 6 requirements</li> <li>Electrical performance characteristics, including balance, guaranteed across entire frequency range</li> <li>Packaged in reels for easy installation</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul> |
|    | PowerCat 10G UTP Patch Cords                | PCD-00601-**-** | PowerCat 10G Patch Cord UTP - 1 metre                                 | <ul style="list-style-type: none"> <li>4 pair stranded cable</li> <li>Sleek, matched anti-snag feature</li> <li>Slip on boot</li> <li>Stable electrical performance achieved with discreet plug wire manager</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>  |
|  |   | PCD-00602-**-** | PowerCat 10G Patch Cord UTP - 2 metre                                 |  |
|  |   | PCD-00603-**-** | PowerCat 10G Patch Cord UTP - 3 metre                                 |  |
|  |   | PCD-00605-**-** | PowerCat 10G Patch Cord UTP - 5 metre                                 |  |
| <b>Patch Panels</b>  |   |                 |   |  |
|    | PowerCat 10G UTP Patch Panel                | PID-00208B      | PowerCat 10G 24 Port Patch Panel UTP - 2U                             | <ul style="list-style-type: none"> <li>24 Ports 2U</li> <li>Rear cable management included</li> <li>Individually removable patch panel ports and cable management shelves</li> <li>DataGate 10G component compliant connector</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>   |
| <b>Modules</b>   |   |                 |   |  |
|   | PowerCat 10G UTP Jack                       | KSJ-00058-02    | PowerCat 10G Jack 568A/B UTP - White                                  | <ul style="list-style-type: none"> <li>Patented spring-loaded shutter - prevents incomplete mating and protects from dust and contaminants</li> <li>Patented IDC V-Shaped contacts that flex not fatigue when terminated</li> <li>Accepts colour coded port identification labels</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>     |
|  | PowerCat 10G UTP Contura Module             | MGB-00005-02    | PowerCat 10G Angled Contura Module RJ45 568A/B UTP - White            | <ul style="list-style-type: none"> <li>Contemporary design with angled fascia</li> <li>Shuttered RJ45 DataGate 10G component compliant connector</li> <li>Protected labelling facility</li> <li>Floor box and wallplate compatible</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>  |
|  | PowerCat 10G UTP Angled MOD-SNAP III Module | MMS-00016-02    | PowerCat 10G Angled MOD-SNAP III Module RJ45 568B UTP - White         | <ul style="list-style-type: none"> <li>22 x 37.5mm (BT6C) angled fascia</li> <li>Shuttered RJ45 DataGate 10G component compliant connector</li> <li>Protected labelling facility</li> <li>MOD-SNAP wallplate compatible</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>   |
|  | PowerCat 10G UTP Angled Euromod II Module   | MEU-00062-02    | PowerCat 10G Angled Euromod II Module RJ45 568A/B UTP - White         | <ul style="list-style-type: none"> <li>25 x 50mm angled fascia</li> <li>Shuttered RJ45 DataGate 10G component compliant connector</li> <li>Protected labelling facility</li> <li>Euromod wallplate compatible</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>   |
|  | PowerCat 10G UTP Angled 22.5 x 45mm Module  | MLG-00026-02    | PowerCat 10G 22.5 x 45mm Legrand Compatible Module 568A/B UTP - White | <ul style="list-style-type: none"> <li>22.5 x 45mm angled fascia</li> <li>Legrand® 45 x 45mm bezel compatible</li> <li>Shuttered RJ45 DataGate 10G component compliant connector</li> <li>Protected labelling facility</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>  |
|  | PowerCat 10G UTP Bticino Compatible Module  | MIT-00016-0E    | PowerCat 10G Bticino Compatible Module RJ45 568A/B UTP - Black        | <ul style="list-style-type: none"> <li>Angled fascia</li> <li>BTicino "Living International" and "Light" bezel compatible</li> <li>Shuttered RJ45 DataGate 10G component compliant connector</li> <li>Protected labelling facility</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>  |
|  |   | MIT-00016-02    | PowerCat 10G Bticino Compatible Module RJ45 568A/B UTP - White        |  |
|  | PowerCat 10G UTP Vimar Compatible Module    | MIT-00017-04    | 10G Vimar Compatible Module UTP - Black                               | <ul style="list-style-type: none"> <li>Vimar "Ideal" bezel compatible</li> <li>Shuttered RJ45 DataGate 10G component compliant connector</li> <li>Protected labelling facility</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>  |
|  |   | MIT-00017-01    | 10G Vimar Compatible Module UTP - Almond                              |  |
|  | PowerCat 10G UTP DIN 49075 Module           | WNC-00038-02    | 1 Port 10G DIN Module UTP - White                                     | <ul style="list-style-type: none"> <li>1 and 2 Port versions - 50 x 50mm angled fascia</li> <li>DIN 49075 compatible</li> <li>Shuttered RJ45 DataGate 10G component compliant connector</li> <li>Protected labelling facility</li> <li>10G Channel performance when installed as a complete PowerCat 10G UTP System</li> </ul>   |
|  |   | WNC-00038-06    | 1 Port 10G DIN Module UTP - Almond                                    |  |
|  |   | WNC-00039-02    | 2 Port 10G DIN Module UTP - White                                     |  |
|  |   | WNC-00039-06    | 2 Port 10G DIN Module UTP - Almond                                    |  |
